

## ***Ninoy Aquino Parks and Wildlife Center now Offers Free WiFi Internet Access!***

In its effort to provide additional services to park visitors, the Ninoy Aquino Parks and Wildlife Center(NAPWC) now provides FREE WiFi internet access in selected areas with in the park. Park visitors specially students and those renting the facilities of the park(like the Visitor's Center)with WiFi-ready laptops, palmtops or PDA's can now access the internet for their browsing, email and online researches for free.

Visitors can use the free WiFi access in two specific WiFi spots within the park. One spot is within the 100m radius of Building No.1 near the Wildlife Rescue Center and the other one is within the vicinity of the Ninoy Aquino Parks and Wildlife Center Office, covering selected funtion halls of the Visitor's Center near the Lagoon.

To avail of the free WiFi internet access, interested parties may inquire and register for free at the Ninoy Aquino Parks and Wildlife Office thru the Protected Area Superintendent at Tel.No. 924-6031 loc 236/240 or at the Planning Staff of the Protected Areas and Wildlife Bureau at Tel No. 920-4486.
